

# LET'S TALK TO GOD

## Bible Verse

"The LORD is near to all who call on Him."

Psalm 145:18

## Conversation Starters

### 1. WHY DO YOU PRAY?

Is it important to talk to God? Why? What happens when we pray? Do you think it matters if you don't pray?

### 2. WHEN DO YOU PRAY?

Some people only pray at certain times (like before they eat or when they first wake up). Other people pray all through their day. When do you pray?

### 3. WHAT DO YOU PRAY?

What types of things do you like to talk to God about? Do you ask Him questions? Do you tell Him about your day? Ask a friend what they like to pray about.
